_____,
Plaintiff(s),

vs.

_____,
Defendant(s).

Case No. _____

**ORDER ASSIGNING CASE TO
STIPULATED PAYMENT
DOCKET**

FINDINGS: The court file in this case shows that the parties have settled the case by stipulation which requires payments over a long period of time, but in order to assure completion of the settlement the parties have agreed to allow this action not to be dismissed until _____. There is nothing further to be done in this case at this time and it appears that the case should be assigned to the dormant-stipulated payment docket so it may be closed for case management purposes.

ORDER: This case is assigned to the dormant-stipulated payment docket, and the clerk is directed to close the case on the case management system. Upon motion accompanied by a showing that the stipulation has not been completed, and after notice and opportunity for hearing, the case may be reopened.
